## Customer Reviews

Have always used Amy Knapp's Big Grid Wall Calendar, this year decided to try out her 2016-2017 Family Organizer instead of the wall calendar. So far I'm really liking my purchase. Love the front pocket. Love the Menu planning column on the side for each week, really going to help me out, as well as the Grocery list column. Many times I'll plan what I'm going to make, go shopping for the ingredients and then forget what I had originally planned to cook later on in the week. Now, I can check my organizer! Love having a new verse a week too! Not sure I'll use the Prayer & Praise section only because I have a separate journal I use for that already so I won't double up here. One minor thing that might be helpful is to include the months of August-December of 2016 all on one page in a monthly view, helps with school year planning purposes. Towards the front there is a page with all 12 months of the 2017 year and 12 months of the 2018 year. Towards the back there is a page with just 12 months of the 2018 year.

Love this organizer so far. Perfect for what I need and fits in my purse. It has a full calendar and then a weekly calendar. I love the tear-off grocery list. This was a great purchase for the price. I enjoy the scriptures throughout.

This is just the kind of planner I have been looking for! It is compact and keeps everything where I can see it on one page (to do's, meal plan, calendar). I love it!!! My only suggestion would be a more durable cover and back. I don't know if it will last since I carry it around everywhere. Will be ordering this one again!!!

Originally bought a more expensive planner and found it to not be what I needed or wanted. This planner has it all for busy Christian ladies and is a great price. Can't recommend enough and will buy again for sure.

I love this planner! I use it everyday. It has so many great features. Perforated pages for your grocery list meal planning sections and bible verses on every page for encouragement! I highly recommend this planner!

Have used these for many years. There's plenty of space to write things, the layout is clear and consistent, one Bible verse per week is very nice, & serrated pages make list making easy.

Love this organizer! I've used several over the years and this, by far, is the best! I own my own cleaning business and it's wonderful to have every day planned out for me! Sonia

Amazing! I'm obsessed with this planner and take it with me (almost) everywhere! • Getting a planner has simplified my life. This one is very well put together.
