i like this book too because me and my sister and mom and dad and grandma watched it from a movie theatre. It was about a good dinosour got into the and he can not swim and got washed him far away from land. Then he remmemberd that before his dad died he said,if you find the river you find home. But it taked long for him to get home. So he found the critter on top of the little clif. He got mad of him eating his food from home. Then,when he got to the top,he chased him. how long would his adventure be to get home?

This is an easy yet interesting read for my son. We can not wait to see the movie.

This was a gift for a 8 year old boy who absolutely loves it

The story is nice, but there is not much of the illustrations in this book, and the illustrations are very blurry.

The story is nice, the illustrations are very blurry. I would expect more from Disney.
