Inequality: A Contemporary Approach To Race, Class, And Gender

Synopsis

This textbook reflects a hybrid approach to studying stratification. It addresses the knowledge accumulated by stratification scholars and challenges students to apply this information to their social world. Features include:

- The text is divided into basic concepts (theoretical and methodological) and applications (e.g., to class, poverty, mobility, education, gender, race).
- Each chapter includes a list of key concepts, questions for thought, suggested exercises, and multimedia resources (print, internet, and films).
- A unique methodological chapter provides students the skills they will need to be able to read contemporary sociological literature.
- The selection of chapters and chapter content provide students a sense of the topics, questions, and research that dominate contemporary research on social stratification and inequality.
- Research-oriented approach reflecting the field of stratification studies. Additional ancillary material may be found at www.stratificationandinequality.com

Customer Reviews

I got this book for a course I was taking and it is great. A lot of sociology are difficult to read but this is definitely an easy and interesting one.

Greta book. I use it for school.

LOVE IT!!!

Needed for class, arrived in a timely manner.
