Building The Panama Canal (Landmark Events In American History)

Synopsis

The United States has been shaped by the people and events of its past. This series vividly describes events that had an effect on U.S. history and introduces young readers to the people who shaped them. The easy-to-read text, historic art and photography, suggested activities, and clear, simple maps help bring to life the causes of these events, their effects on people at the time, and their significance today. --This text refers to an alternate Library Binding edition.

Customer Reviews

This book is excellent for young adults to learn about the historical and economic impact the Panama Canal had in the world. As an enthusiastic teacher, I plan on purchasing more titles from this publisher.
