First 100 Words Sticker Book (Play And Learn)

Synopsis

Help your preschooler develop their vocabulary and early literacy skills with this sticker book introducing over 100 essential first words. Organized into groups such as farm animals, toys, and things that go, each colorful page features familiar, everyday words and pictures, and learning becomes interactive as children look for, find, and match the correct stickers to the correct spaces. A great book to help children aged three and over build language, start word and picture association, and develop hand-eye coordination skills.

Customer Reviews

"First 100 Words" by Roger Priddy was bought as a gift for my sonsâ™s first birthday and it is the perfect book for a one year old. It is quite a basic book and the sort of board book most children will have at some stage in their life. It definitely deserves mention, as my son chooses it from his library nearly every day. Previous reviews have indicated some confusion over the book size. This version of the book is pretty small (it's 5 x 6 inches; an over-sized ABC/colors version can be found here), and it can withstand rough little hands as it is a board book. Each brightly colored page shows various photographs alongside the corresponding word. I like that it uses photographs instead of illustrations (animals wearing clothes, etc.). The pages are split into themes of things your LO will probably recognize from everyday life, such as clothes, food, things that go and so on. My son has

had this book for a couple of months now and itâ€™s been a huge hit with him. He will sit on the floor and look through it himself. Together, we look at the pages and I point to each picture and say the word. Iâ€™ve started him with some Tiny Tutor videos to supplement our lessons while I do chores around the house. We do this most days and the repetition seems to be paying off, as he seems to recognize a new thing in the book every day. Although rather basic on the face of it, I am really delighted with this book and wish weâ€™d had it sooner.
