Odd Thomas

Synopsis

Now a major motion picture starring Anton Yelchin, Willem Dafoe, and Addison Timlin, and directed by Stephen Sommers • The dead don't talk. I don't know why. • But they do try to communicate, with a short-order cook in a small desert town serving as their reluctant confidant. Odd Thomas thinks of himself as an ordinary guy, if possessed of a certain measure of talent at the Pico Mundo Grill and rapturously in love with the most beautiful girl in the world, Stormy Llewellyn. Maybe he has a gift, maybe it's a curse, Odd has never been sure, but he tries to do his best by the silent souls who seek him out. Sometimes they want justice, and Odd's otherworldly tips to Pico Mundo's sympathetic police chief, Wyatt Porter, can solve a crime. Occasionally they can prevent one. But this time it's different. A mysterious man comes to town with a voracious appetite, a filing cabinet stuffed with information on the world's worst killers, and a pack of hyena-like shades following him wherever he goes. Who the man is and what he wants, not even Odd's deceased informants can tell him. His most ominous clue is a page ripped from a day-by-day calendar for August 15. Today is August 14. In less than twenty-four hours, Pico Mundo will awaken to a day of catastrophe. As evil coils under the searing desert sun, Odd travels through the shifting prisms of his world, struggling to avert a looming cataclysm with the aid of his soul mate and an unlikely community of allies that includes the King of Rock 'n' Roll. His account of two shattering days when past and present, fate and destiny converge is the stuff of our worst nightmares • and a testament by which to live: sanely if not safely, with courage, humor, and a full heart that even in the darkness must persevere. From the Hardcover edition.

Customer Reviews

Odd Thomas lives up to his first name; he is a 20 year old short-order cook with the ability to see the ghosts of the dead and the shadowy faceless spirits he calls "bodachs," who gravitate toward scenes of horrific violence and evil. Odd is a very likable guy whose ideal future rests with his girlfriend and soul mate Stormy Llewellyn and with a career in tires or footwear. Aware that his sixth sense is a burden that sets him apart and makes him appear otherworldly to others, he knows that he has received this gift for a reason. He feels a responsibility to make sense of the ghosts he encounters and to thwart the violence that the bodachs portend. When he spots a large congregation of bodachs converging on his hometown of Pico Mundo, he has a premonition of great disaster. He hones in on a villainous and twisted "Fungus Man" who he senses will most likely cause the violence. He must now discover the time and place where the bloodshed will occur. He races against the clock to prevent a tragic outcome. Narrated by Odd, this story is at times gory, at times inspirational, at times funny, and at times bittersweet. Koontz is still a master at interweaving scenes of horror with humorous dialog and action. The ghost of Elvis materializes at incongruous moments. There is an exploding cow to add comic relief. The author portrays many humorous and colorful characters including Odd's oversized six-fingered mentor Little Ozzie and his landlady Rosalia who fears she will become invisible. As the author's writing career has progressed, his books have adopted more and more of an undertone of spirituality and religious optimism. His latest effort expands on this trend as he juxtaposes Satanism and the paranormal with an uplifting message.
