Her life is full of activity, but one commitment remains constant: counting all things but loss for the excellence of knowing Christ Jesus, the Lord (see Phil. 3:8).

Bought this for my wife and she loves the way Beth Moore explains the bible. Her down to earth explanations gets her pumped up and she is sharing it her friends and loved ones. It's a great way to enjoy what God's plans are for you.

Not my favorite Beth Moore. I felt like she was yelling and screaming at me. She frequently repeated several phrases over and over which became annoying. Phrases like: "Anyone know what I'm saying?"

This was an awesome devotional. The two CD are funny and relatable to everyday life. She really understands and Yehovah. More importantly she loves the work of the Elohim.

Beth Moore is encouraging. Even if you don't like hard core bible thumping southern ladies, she can make you laugh and feel good.

I really enjoy listening to Beth. I have several of her books and really enjoy them but listening to her talk is always pure joy.

So great and inspiring to hear the words of wisdom while running errands in my car. Just love Beth Moore.

EXCELLENT MEDITATIONS. GOOD LESSONS TO LEARN. ALSO SELF AWARENESS DISCOVERY.

Both these for Christmas gifts. All gave thumbs up to Beth Moore!
