## Customer Reviews

I loved this book for three reasons one, because it was Minecraft two, it was a VERY adventuring and touching book. Four, I feel there needs to be part two. The Life of An Enderqueen and how she lived. I loved this book so much!!!! Is there a part two????? Please tell me if there is!

This book is very cool. I like it very much. If you're a Minecraft geek, like me, you'll absolutely LOVE this book, just as I did. This book is a cliffhanger on what's going to happen next. Sadly, my mom won't let me get the other books because they cost money. BUT - you enjoy this book.

there are 5 reasons that I love this book  
1 I love Ender books  
2 ur books are awesome  
3 u do a great job

awesome. can the next end venture be free? that would be cool. every reader would love that. thank you ender king. have a good day!

Awesome story nice cover by the way You must make a part two! Good name would be the awakening of the ender queen or just simply The legend of the ender queen Part two!

I really like Queens. But there's finally a girl that's nice is a Minecraft story. It's a little creepy and crazy at the same time.  
1 Thing I DON'T like about this is the endermen.
