H. Lawrence.Il testo del romanzo Ã“ completo e inalterato.Altri ebook bilingue con testo a fronte dello stesso redattore <http://smarturl.it/bilingual>*** English ***First Published in a single volume in 1883, the stories collected in Little Novels of Sicily are drawn from the Sicily of Giovanni Verga's childhood, reported at the time to be the poorest place in Europe. Verga's style is swift, sure, and implacable; he plunges into his stories almost in midbreath, and tells them with a stark economy of words. There's something dark and tightly coiled at the heart of each story, an ironic, bitter resolution that is belied by the deceptive simplicity of Verga's prose, and Verga strikes just when the reader's not expecting it.Giovanni Carmelo Verga (2 September 1840 â€“ 27 January 1922) was an Italian realist (Verismo) writer, best known for his depictions of life in his native Sicily, and especially for the short story (and later play) Cavalleria Rusticana and the novel I Malavoglia (The House by the Medlar Tree).Sicilian novelist and playwright, is surely the greatest writer of Italian fiction, after Manzoni.As a young man he left Sicily to work at literature and mingle with society in Florence and Milan, and these two cities, especially the latter, claim a large share of his mature years. He came back, however, to his beloved Sicily, to Catania, the seaport under Etna, to be once more Sicilian of the Sicilians and spend his long declining years in his own place.Translator D. H. Lawrence surely found echoes of his own upbringing in Verga's sketches of Sicilian life: the class struggle between property owners and tenants, the relationship between men and the land, and the unsentimental, sometimes startlingly lyric evocation of the landscape. Just as Lawrence veers between loving and despising the industrial North and its people, so too Verga shifts between affection for and ironic detachment from the superstitious, uneducated, downtrodden working poor of Sicily. If Verga reserves pity for anyone or anything, it is the children and the animals, but he doesn't spare them. In his experience, it is the innocents who suffer first and last and always.Italian easy readers: If you are learning or improving your Italian or English as second language, grab this

Customer Reviews

This is an adorable book great for beginning Italian students. I have it on my Android and the page format is side by side which makes it easier to follow in dual language. But it's fine also on an iPad. For the price, it's a great deal and very fun.

This is a nice book with interesting stories, good vocabulary and attractive illustrations. It is a good learning accessory as a break from boring text books.

Loved it! Wonderful historical little novels. Knowing the past it's always useful to understand the present and improve the future.
