Living Language Italian, Essential Edition: Beginner Course, Including Coursebook, 3 Audio CDs, And Free Online Learning

Synopsis

The Essential package is a unique multimedia introduction to French. At the core of Essential Italian is the Living Language Method, based on linguistic science, proven techniques, and over 65 years of experience. Our method teaches you the whole language, so you can express yourself, not just recite memorized words or scripts. Millions have learned with Living Language®. Now it's your turn.

Book: 10 lessons, additional review exercises and dialogues, an extensive glossary, and a grammar summary plus a bonus notebook

3 Audio CDs: Vocabulary, dialogues, audio exercises, and more listen while using the books or use for review on the go

Free Online Learning: Flashcards, games, and interactive quizzes for each lesson at www.livinglanguage.com/languagelab

To learn more visit livinglanguage.com

The Living Language Method

Build a Foundation Start speaking Italian immediately using essential words and phrases.

Progress with Confidence Build on each lesson as you advance to full sentences, then actual conversations.

Retain what You've Learned Special recall exercises move your new language from short-term to long-term memory.

Achieve Your Goals Don't just mimic or memorize. Develop practical language skills to speak in any situation.

Teaching > Distance & Online Learning #20404 in Books > Reference

Customer Reviews

I chuckle when I read the other reviewer on this because I bought it wanting learn Italian to have a conversation with a friend only to find it was way too geared for people wanting to take a trip. Go figure. Actually I took a community ed class and this was the book the instructor used. The CDs are

good, though the two native language speakers pronounce things slightly differently at times. The CDs are a big bonus over other books and the main reason all the CommEd instructors for my district picked Living Language. In addition they have some downloadable resources on their website, the URL in the book is longer correct apparently. I never had any problems but then I went to the main site, livinglanguage.com and then to Italian and then the labs. But class mates even using that path have had problems on their PCs. Their website also has flash cards and activities (only one so far I would consider cheesy) that are simple but you don't look or feel like you're playing a kids game. They have section to post questions. As for the grammar, the reason it might be heavy on that is because while in English the verb "to be" only has three present tense forms: Am - I Are - You (sg), We, You (pl), They Is - He, She, It The Italian verb "Essere" (to be) has: Sono - I, They Sei - You (sg) ~ - He, She Siamo - We Siete - You (pl) (I think I got that right, don't have my notes in front of me) (I've actually started learning a lot about English Grammar using this book, an expected side effect and bonus.
